SHARING THE GOOD NEWS FROM OUR FELLOWSHIPS IN AND AROUND LONDON

LONDON EDITION

WINTER 2009

## London teens are growing fast!

As we move into the last few weeks of 2009 it is so encouraging to see how God has worked this year in the London-wide teen ministry.

The year started with Rebekah Ghalustians being baptised in the Riverside followed by Ella Agerbak (Northwest), Shakira Bullen (East), Gislene Fernandez (Northwest), Tosin Sowoolu (Southeast), Niya Oyeleye (South), Priya Nanjundan (West) and Hannah Desouza (East). We are so excited that these eight young people decided to give their lives to God.

We know he has great plans for them!

We were blessed in the summer with the largest teen camp in recent years as we concentrated on the theme 'Dying to Live'. Many teens were inspired to draw closer to God through that camp.

In the various sectors a talent show was organised to raise money for HOPE worldwide, serving activities arranged to help others and show appreciation, several London teens attended Hope Youth Corps, hosted in the UK

for the first time. God has used teens in a great way this year.

The London teen meetings held on the last Sunday of the month continued to flourish with 70 - 80 teens attending. The next one will be 3pm on 29th November and will be organised by the Riverside.

I want to thank all the parents of teens, the teen leaders, workers and volunteers who have poured their hearts out for the London teens. The whole of the London church salutes you, thank you!

Adrian Hill (Youth and Family Minister)

*Teens from all sectors supported the East Charity Talent Show in aid of HOPE Worldwide*

## God is moving in Central London!

*While they were worshipping the Lord and fasting, the Holy Spirit said, "Set apart for me Barnabas and Saul for the work to which I have called them." So after they had fasted and prayed, they placed their hands on them and sent them off.* Acts 13:3

*The whole assembly became silent as they listened to Barnabas and Paul telling about the miraculous signs and wonders God had done among the Gentiles through them.* Acts 15:12

The members of the newly formed Central Region would like to thank the London Church for praying for us and sending us off at the end of the last London-wide service! Mohan Nanjundan and Adrian Hill reminded us through their faithful prayers that God is with us, and they inspired us to continue preaching the Word boldly in the city centre.

Our first month of services has been very encouraging, with over 40 people attending each week and numerous bible studies starting! All our services have been geared toward visitors so that the songs, communions and sermons will encourage them to further explore a relationship with God. So far Mohan, Malcolm, Andrew Agerbak, Adrian, and Mike Desouza have come to preach, and they've all done a fantastic job of relating the Gospel to student and professional life! We look forward to having them back soon. We're still calling any disciple who works or studies in Zone 1 to invite their colleagues to our services: every Sunday afternoon at 4pm, at the Seven Dials Club in Covent Garden.

Please continue to pray for us! As we follow God's vision for us, we're greatly encouraged by all the support we get from the church. Thank you so much, and to God be all the glory!
