

THE EASTENDER

THIS WEEK

Mike Desouza is preaching today.

Friday's meeting is for everyone, as we continue our theme on 'Discipling'.

We will be collecting the Missions Contribution for the Hyderabad Church and for UK Missions on 6-Jun (4 weeks away).

PARENTING CLASSES

The 'Good Enough Parenting' series starts on Saturday, 8th May. There are eight sessions running approximately every two weeks until July. The sessions will run 7.30pm – 9.30pm and be held at Dragon Hall, 17 Stukeley Street London WC2B 5LT This is an excellent opportunity for parents, friends and all those involved in teaching children to learn about parenting from the perspective of schema therapy. Details are on line at <http://www.iccm-events.info/gep> where you can register, the course is free but we would like to know numbers to cater for. This is a great opportunity to bring friends. The sessions will be illustrated with movie clips and involve group interactive activities. It will be great fun! Adrian & Maureen Hill [The East will be running similar classes during our Friday meetings in Jun & Jul]
