

the
kingdom
of god
is near

the
kingdom
of god
is near

kingdoms rise and fall just like banking systems and governments. jesus said his kingdom was different because it was to be a kingdom with radical values and would never be shaken

what is so different about god's kingdom?

come and find out on
sunday 25 july

we are a congregation from all parts of london who believe that god's kingdom has come, that it is worth celebrating, and that being a member of it is the greatest privilege imaginable
