Faithful Freshers' Week!

Scotland's Students Encounter the Gospel

As thousands of university students descended upon Glasgow and Edinburgh this September to start the school term, the Scotland churches prepared for one of the most dynamic and action-packed ministry opportunities on the calendar – Freshers' Week!

and University of Strathclyde. The church was overjoyed to welcome our very own fresher, Shona, as she begins her tuition at Strathclyde. Two especially encouraging additions to the team that week were Tamika and Nicholas from the

Over a 2 week span of focused invitation blitzes, Bible discussions, and fun social events, the disciples boldly reached out to hundreds of students and prayed for hearts to be moved.

In Glasgow, church members were active across the three major schools: University of Glasgow, Glasgow Caledonian University (GCU),

Birmingham Church of Christ, who admirably gave up four days to spread the gospel on these campuses. The disciples poured themselves out to those coming to make Glasgow their new home. The disciples had a particularly engaging time running a stall at the GCU Fresher's Fayre, where God has opened a door for the

The Edinburgh Church experienced an encouraging Freshers' Week with the

whole church participating to connect with new students. The unity and commitment of the entire church to the organised events, such as evangelism and on-campus prayer walks, was inspiring for the whole congregation. The Edinburgh church is grateful to Birmingham students Cameron, Edmunds, and Jordan for reinforcing and encouraging the church as they conducted their activities. The week culminated with a church service, BBQ, and a volleyball match on the “Meadows” right by the University of Edinburgh. The outdoor service provided a great opportunity for people to meet and get to know the church, with passers-by also being able to share in this

unique occasion. The way the church collectively came together to spread the news of Christ and build relationships with students as they arrived was a great example of the way the Lord sends His workers out into the harvest field. The church looks forward to seeing how God continues to work from Freshers' Week 2017.

Jessica Finds New Life in Christ!

Scotland Church “Baby” is Born Again

...she went on her way rejoicing.

During Jesus’ life on earth he instructed his disciples, “I give you a new command: Love one another. Just as I

have loved you, you must also love one another. By this all people will know that you are My disciples, if you love one another.” (John 13:34-35) Unconditional and self-sacrificing love is so counter-cultural that it continues to compel men and women every day to make decisions to follow Jesus, even thousands of years after he has left the earth.

Compelled by that remarkable love Jessica said, "Jesus is Lord!" and was baptized for the forgiveness of sins on the 29th of August 2017, surrounded by many friends, family, neighbours, and schoolmates. This is a tremendous victory for Jessica and for the Edinburgh Church; Jessica is the first baby born into the church who has grown up to become a faithful

disciple! The love, prayers, and encouragement of all of the disciples, particularly the teen disciples, Ella and Claire, were invaluable to helping her grow in her love for God and dreams for His kingdom. We also celebrate with her parents, James and Helen, who we know have been praying for this day for many years. We pray and anticipate many wonderful adventures God has in mind for Jessica.
