

# THE EASTENDER

## THIS WEEK

**Following Friday's meeting with John Louis, we welcome Vincent & Jayne Sim from the Kuala Lumpur Church, Malaysia.**

**Friday's meeting is in Family Groups.**

**We'd like to apologise for the confusion surrounding last weekend's 'Fireproof' Movie Therapy programme with the Louis'. In particular, we apologise to the Singles for disrupting their plans for the Sunday service, and leaving them to make alternative arrangements the day before. We will endeavour to better understand things of this nature in the future, and communicate them more adequately.**

**We would like to thank those Singles for serving in Kids Kingdom on both the Friday and Sunday, so that the marrieds were able to attend the programme.**
