### PRAYER, FELLOWSHIP, INSPIRATION

There are few things more bonding than praying with fellow Christians. There is a band of disciples who pray together every morning Monday to Friday. We use Skype conference call to connect with each other from our own homes – so there is no need to get up extra early to travel. The technology is free and easy to use. Come and join us. You will be inspired beyond your expectation. Talk to Martin on 01708 641179 for more details.

### BOOK & TAPE

Steve is looking for someone to help him with the Book & Tape Ministry. Interested? See Steve in the fellowship.

# THE EASTENDER

**'The Gifts Series in Q2 of last year (2009) was all about empowering members of the Church to discover, develop and use their spiritual gifts (and God-given S.H.A.P.E.) to the glory of God, the growth of His Church, and fulfilment of His purpose.**

Since then, a lot of exciting activities have been going on behind the scenes with new ministries being set up as well as many Christians volunteering and using their gifts in existing ministries. There have been a number of set up meetings to kick start and define the purpose of new ministries such as the:

- **Teaching Ministry** (*Contact: Simon Dixon*)
- **Benevolence Ministry** (*Contacts: Ferdie & Gill Cruz*)
- **Newcomers Ministry** (*Contacts: Tony & Margrethe Cameron or Tuka & Claire Opaleye*)
- **Young Christians Ministry** (*Contacts: TBC*)
- **Restoration Ministry** (*Contacts: TBC*)

Other ministries including the **Worship Team** have been strengthened with disciples who are passionate and keen to use their gifts in these areas.

Throughout the year we will be showcasing different gifts and ministries, and over the coming months you can expect to hear more about the new ministries that are being set up, as well as what God is doing in existing ministries such as the Mums at Home Ministry (MAHM).

We are still looking at starting new ministries, mostly based on the results of the survey that was completed after the Gifts series but also based on people's initiatives, so do let us know if you would like to start a new ministry or would like some help with setting up a new initiative.

If you're still trying to figure out what your gifts are and/or where you can serve, the gifts team will soon announce some dates for workshops for anyone who would like to work through their S.H.A.P.E. questionnaire, in a small group setting, and discover how and where they could use their gifts to serve.

Our prayer is that discovering, developing and using our gifts in ministry will become an integral part of our church culture, so that truly *'the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ'* (Eph.4:13).

We believe we've got an exciting year and decade ahead of us as we glorify God with our gifts.

We welcome your comments, ideas and prayers.
